The UAE cabinet structure 2017-2020

On 19 October 2017, a reshuffle of the UAE Cabinet was announced.

That Cabinet being the 13th, replaces the 12th Cabinet which was announced in February 2016 and was the largest structural change in the history of the UAE.

The new government shake-up came after the government's [annual meetings which took place on 26 and 27 September 2017](#) to discuss the future of the UAE and achieve the [Centennial Plan 2071](#).

The new reshuffle introduced new ministry portfolios and made structural changes to existing ones. Six new ministers were appointed, including three women. The new government is set to develop knowledge, support science and research and involve youth in leadership of the nation towards 2071.

Members of the current Cabinet (2017/18)

Currently, there are 32 members in the Cabinet; of whom 9 are women. The members of the current Cabinet are:
