1. Introduction

This document: “SmartPass User Guide” serves as an informational resource for end-users. SmartPass is a service provided by the UAE Smart Government that enables users to have a single account to access the online public services of the integrated UAE Government Entities.

The goal of SmartPass is to provide a unified and secure platform for authentication and allow UAE citizens, residents and visitors, to access public services in a smooth and secure way without registering or re-entering personal information multiple times.

The Emirates ID card is the official document approved in the UAE to verify the identity of individuals as its electronic chip contains the card holder’s verified personal information. Thus, the UAE Government has launched SmartPass in collaboration with the Emirates Identity Authority. However, users that do not have an Emirates ID card can still register as visitor/international users.

2. Register to SmartPass

There are two type of registration on SmartPass:

1. **Citizen/Resident** registration designed for Emirates ID card holders. This registration will require the user to scan the Emirates ID card during the registration.
2. **Visitor/International** registration designed for non Emirates ID card holders.

2.1 Citizen/Resident registration

2.1.1 Prerequisites for Citizen/Resident registration

SmartPass offers two type of Citizen/Residence registration:

2.1.1.1 Prerequisites for registering on SmartPass kiosks

In order to register a Citizen/Resident SmartPass account, you will be required to visit one of the SmartPass kiosks which are available at number of locations around the UAE ([Kiosk Locations](#)).

Note: You are required to have your Emirates ID card and a working mobile phone with a valid UAE SIM card issued by one of the local operators to complete the registration.

2.1.1.2 Prerequisites for registering on your own device

To register as a Citizen/Resident user on a computer browser, you will need:

1. Mobile phone with valid UAE issued SIM card.
2. Your valid Emirates ID card
3. A computer device:
 - Connected to Internet
 - Connected to a compatible card reader. (Sagem Morpho MSO 1350 is the supported card reader for finger print authentication or setting the Emirates ID Card PIN).
 - Web browser and JAVA software compatible with Emirates ID card reader. Please refer to the [Browser Compatibility](#)
4. Follow the steps as described in section 2.1.2

Note: Citizen/Resident SmartPass registration requires Emirates ID card PIN. This is a 4 digit number associated with your Emirates ID card.

However, if you do not know your Emirates ID card PIN number, the SmartPass registration process will allow you to set a new Emirates ID card PIN. Details on how to reset your Emirates ID card Pin can be in section 5 of this user guide [Reset Emirates ID Card PIN](#)

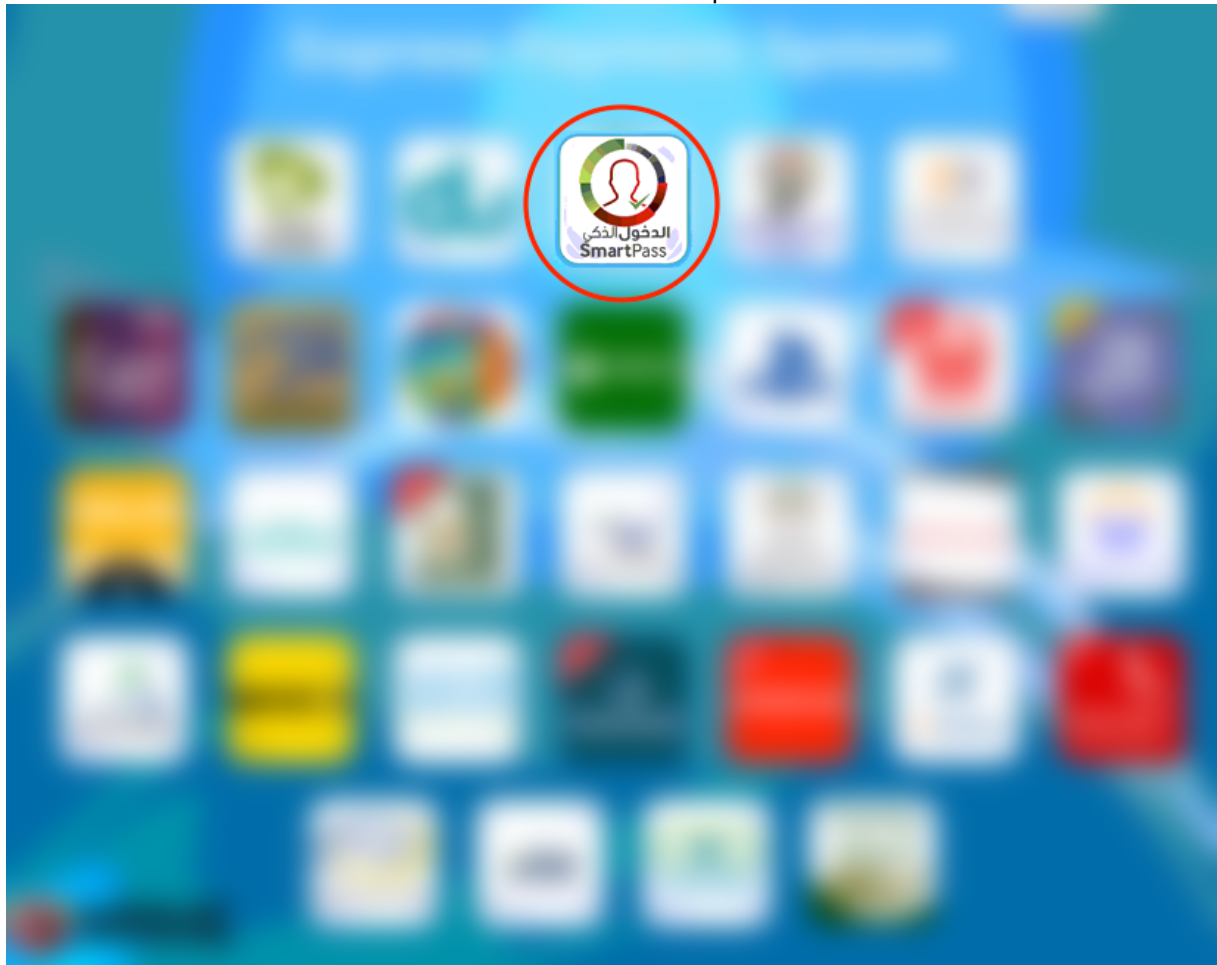

For more information about your Emirates ID, please visit EIDA's website here: <http://www.id.gov.ae/en/home.aspx>

2.1.2 Citizen/Resident Registration Steps

2.1.2.1 Registration on Kiosk

Ensure you have the pre-requisites as per section 2.1.1.1

On the kiosk click on the SmartPass icon then follow the steps as described on the Kiosk screen

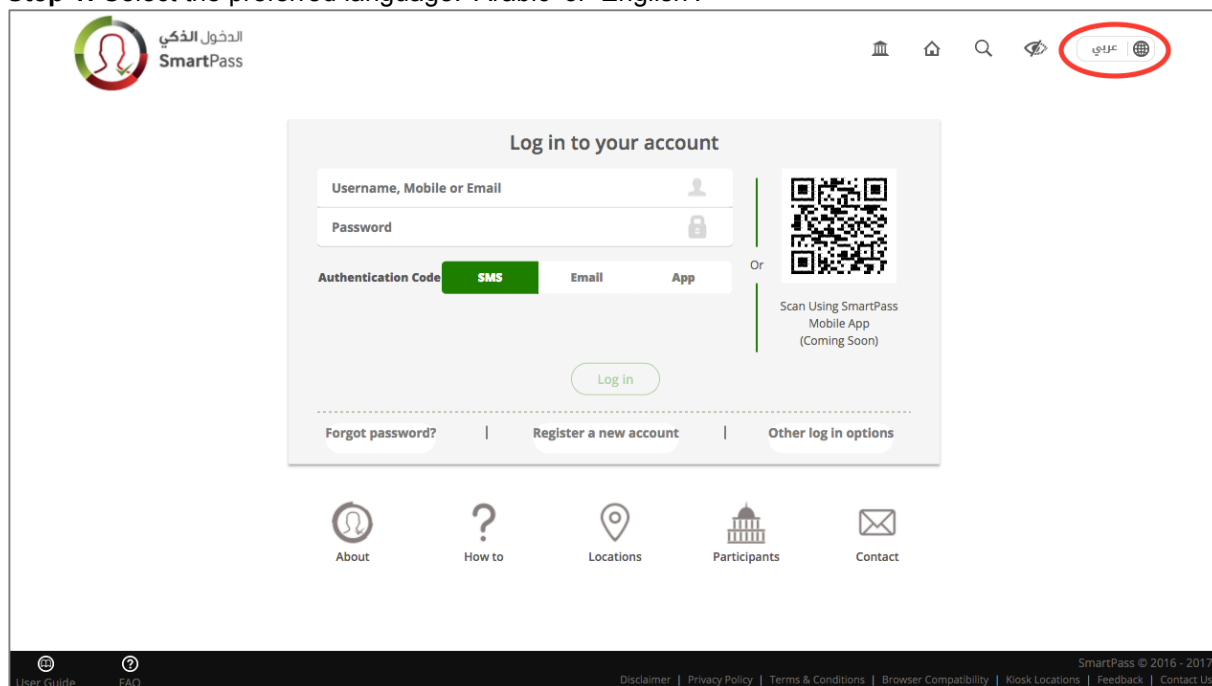

2.1.2.2 Registration on your own device

Ensure you have the pre-requisites as per section 2.1.1.2

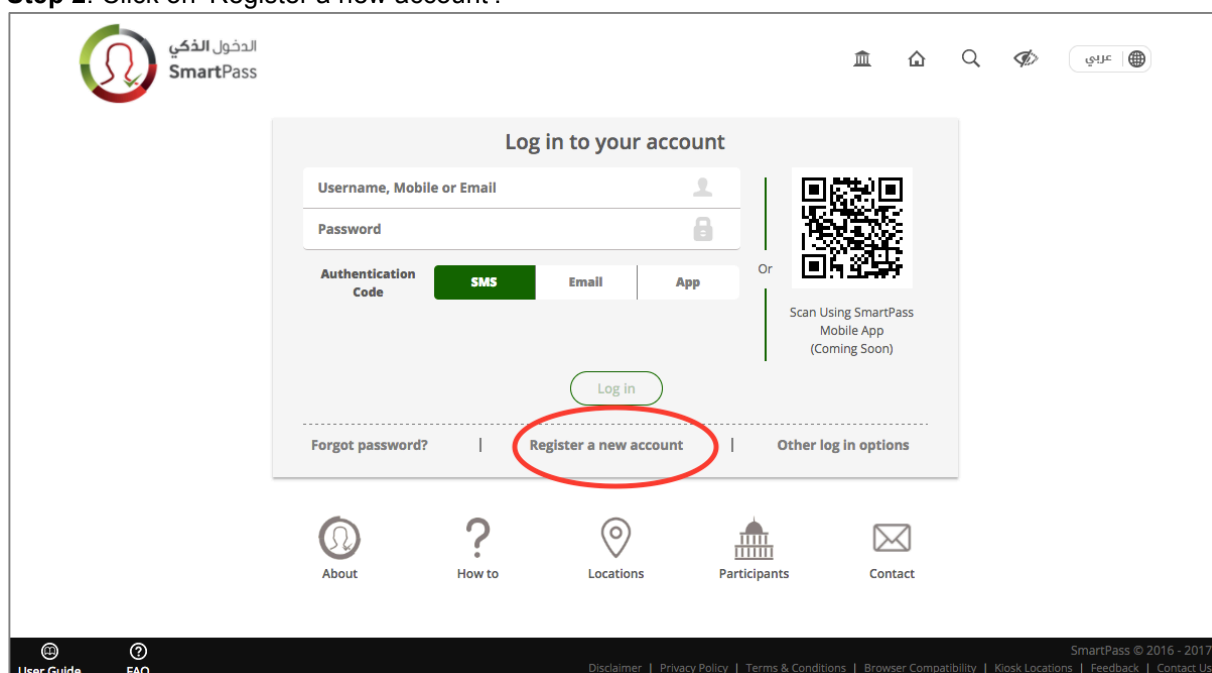

Visit <http://www.smartpass.ae>, then:

Step 1: Select the preferred language: 'Arabic' or 'English'.

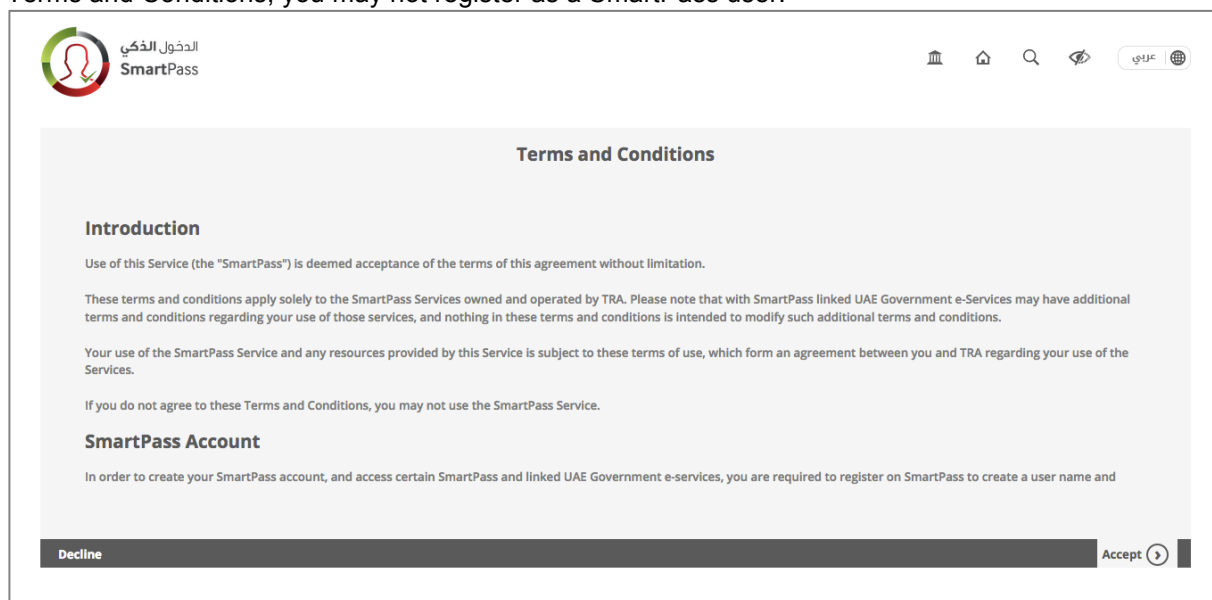

The screenshot shows the SmartPass login page. At the top right, there is a language selection dropdown menu with 'عربي' (Arabic) selected, which is circled in red. The main content area has a 'Log in to your account' section with input fields for 'Username, Mobile or Email' and 'Password'. Below these are buttons for 'Authentication Code' (SMS, Email, App) and a QR code for 'Scan Using SmartPass Mobile App (Coming Soon)'. A 'Log in' button is at the bottom of the login section. Below the login section are links for 'Forgot password?', 'Register a new account', and 'Other log in options'. At the bottom of the page are icons for 'About', 'How to', 'Locations', 'Participants', and 'Contact'.

Step 2: Click on 'Register a new account'.

This screenshot is identical to the previous one, but the 'Register a new account' link at the bottom of the login section is circled in red to indicate the next step.

Step 3: Click on 'Accept' to accept the Terms and Conditions. If you do not accept the SmartPass Terms and Conditions, you may not register as a SmartPass user.

The screenshot shows the 'Terms and Conditions' page for SmartPass. At the top left is the SmartPass logo with the text 'الدخول الذكي SmartPass'. The main heading is 'Terms and Conditions'. Below it is an 'Introduction' section with the following text:

Use of this Service (the "SmartPass") is deemed acceptance of the terms of this agreement without limitation.

These terms and conditions apply solely to the SmartPass Services owned and operated by TRA. Please note that with SmartPass linked UAE Government e-Services may have additional terms and conditions regarding your use of those services, and nothing in these terms and conditions is intended to modify such additional terms and conditions.

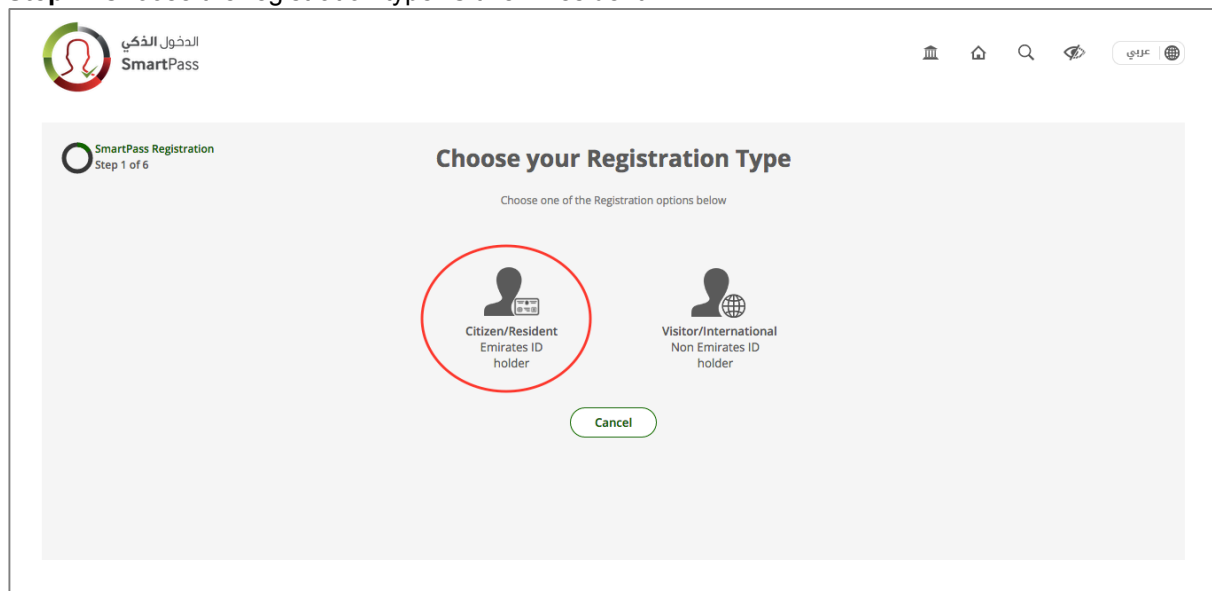

Your use of the SmartPass Service and any resources provided by this Service is subject to these terms of use, which form an agreement between you and TRA regarding your use of the Services.

If you do not agree to these Terms and Conditions, you may not use the SmartPass Service.

Below this is a 'SmartPass Account' section with the text: 'In order to create your SmartPass account, and access certain SmartPass and linked UAE Government e-services, you are required to register on SmartPass to create a user name and'.

At the bottom, there are two buttons: 'Decline' and 'Accept' with a right arrow icon.

Step 4: Choose the registration type: Citizen/Resident

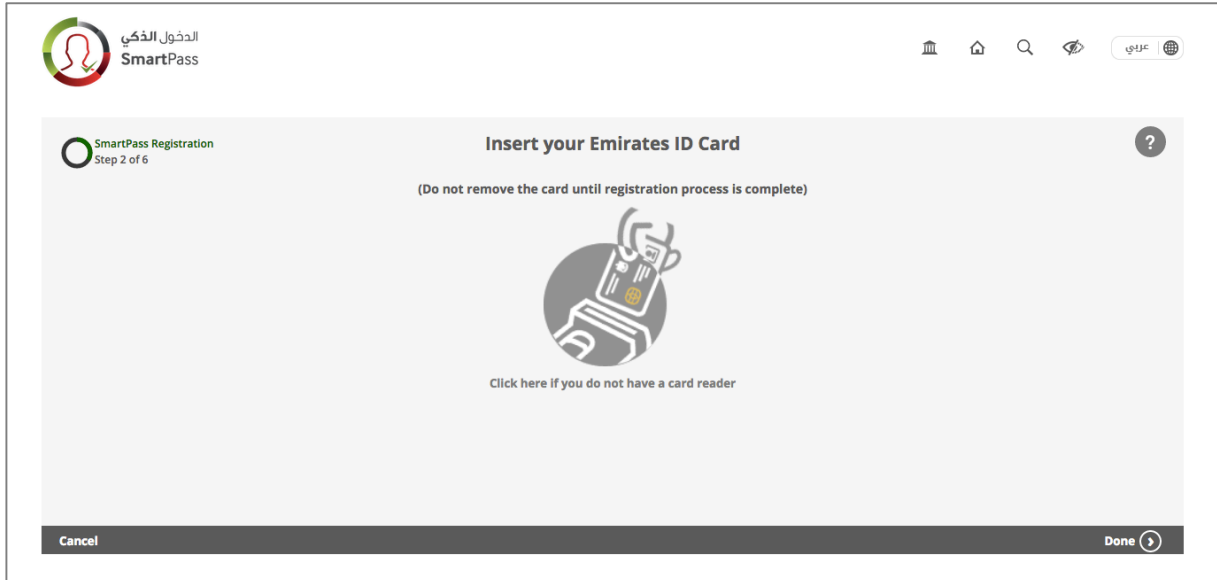

The screenshot shows the 'SmartPass Registration' screen, 'Step 1 of 6'. The main heading is 'Choose your Registration Type'. Below it, it says 'Choose one of the Registration options below'. There are two options:

- Citizen/Resident**: Emirates ID holder. This option is circled in red.
- Visitor/International**: Non Emirates ID holder.

Below these options is a 'Cancel' button.

Step 5: Insert your Emirates ID card in the card reader as shown in the image below. Click on 'Done' when you have inserted your card.

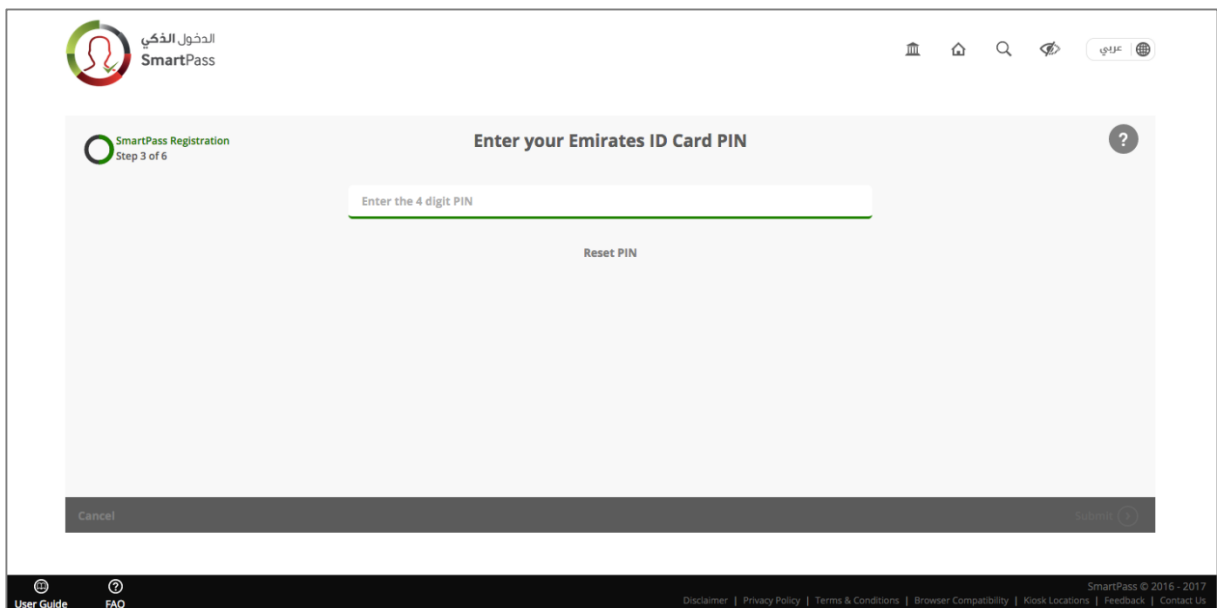

The screenshot shows the 'SmartPass Registration Step 2 of 6' screen. The main heading is 'Insert your Emirates ID Card'. Below it, a note says '(Do not remove the card until registration process is complete)'. There is an illustration of an Emirates ID card being inserted into a card reader. Below the illustration, it says 'Click here if you do not have a card reader'. At the bottom, there are 'Cancel' and 'Done' buttons.

Step 6: Enter the 4-digit Emirates ID card PIN and then click on 'Submit' to move to the next step. If you do not know your PIN then click on 'Reset PIN', and proceed with the steps described in section 5.

Note: Your Emirates ID card PIN is blocked after five consecutive PIN entry failure attempts. To unblock your Emirates ID card PIN, you will have to contact EIDA for assistance.

You can contact EIDA at: <http://www.id.gov.ae/en/contact-us.aspx>

Or refer to EIDA FAQ: <http://www.id.gov.ae/en/id-card/faq.aspx>

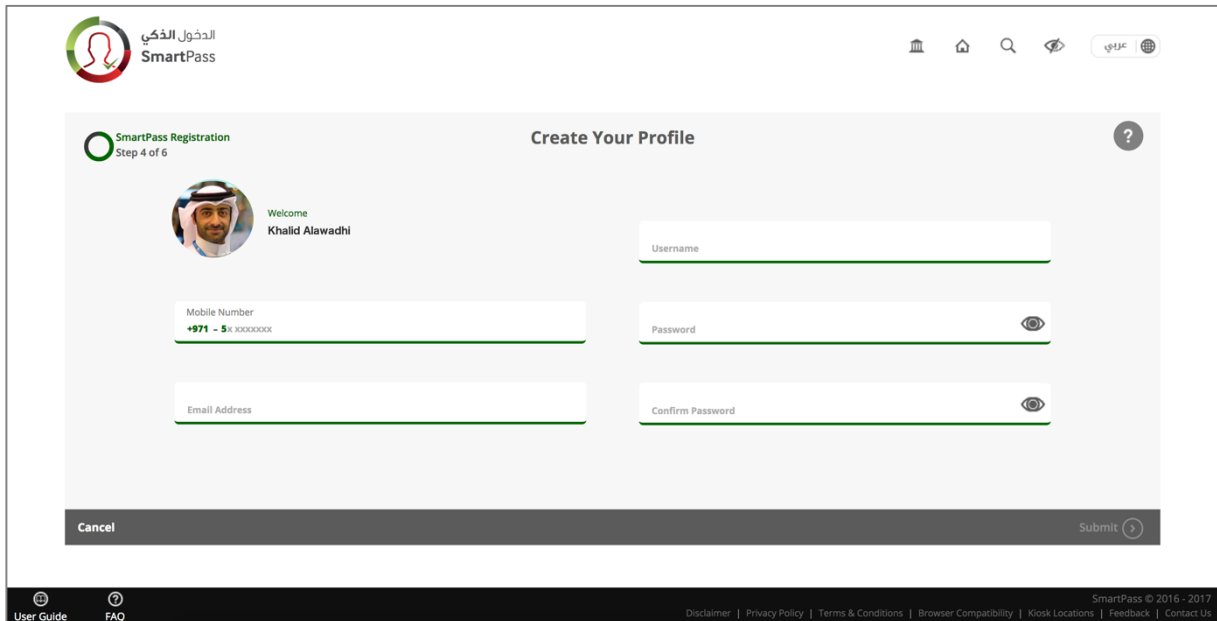

The screenshot shows the 'SmartPass Registration Step 3 of 6' screen. The main heading is 'Enter your Emirates ID Card PIN'. Below it, there is a text input field with the placeholder 'Enter the 4 digit PIN'. Below the input field, there is a 'Reset PIN' link. At the bottom, there are 'Cancel' and 'Submit' buttons.

Step 7: Registration confirmation.

Upon completion of your entered information a confirmation page is displayed.

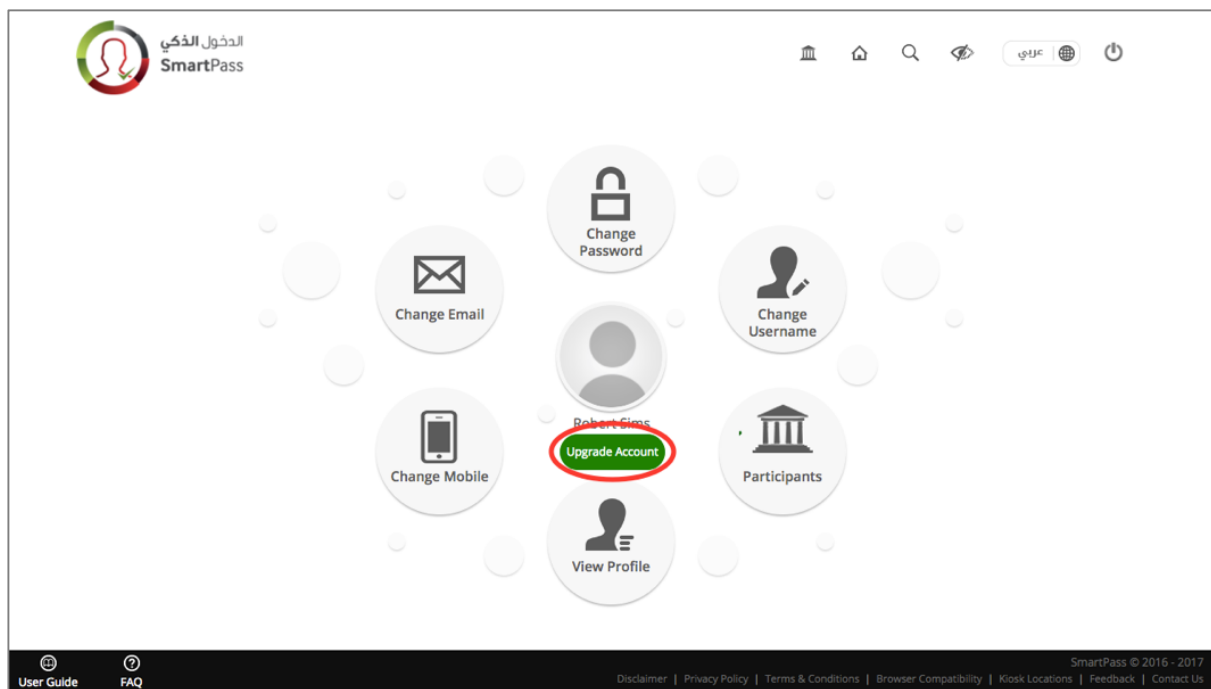

The screenshot shows the 'Registration Confirmation' step of the SmartPass registration process. The page title is 'SmartPass Registration Step 4 of 4'. The main heading is 'Congratulations Khalid Alawadhi!'. A message states: 'You have successfully registered with SmartPass. You can now access all participating government entity services using your SmartPass account.' Below this is a 'Return to Home' button. The footer includes 'User Guide', 'FAQ', and a list of links: 'Disclaimer', 'Privacy Policy', 'Terms & Conditions', 'Browser Compatibility', 'Kiosk Locations', 'Feedback', and 'Contact Us'. The copyright notice is 'SmartPass © 2016 - 2017'.

3. Upgrade Your Account

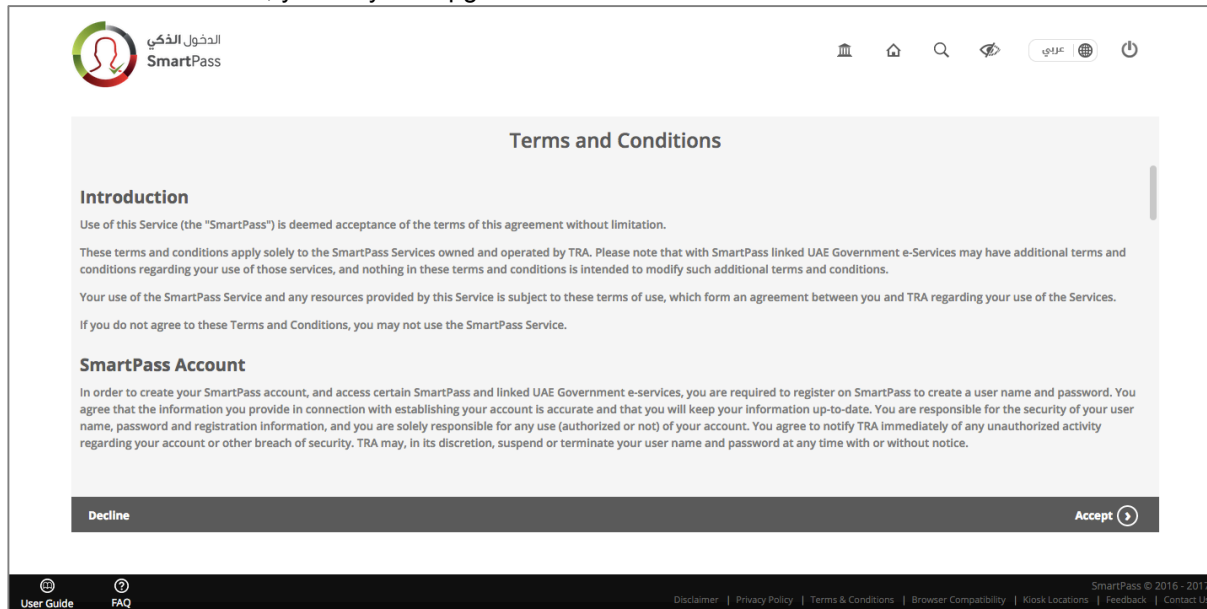

Visitor/international accounts can be upgraded to a Citizen/Resident account which will enable the user to access more services.

Step 1: Log in to your account.

Step 2: Click on “Upgrade Profile” button

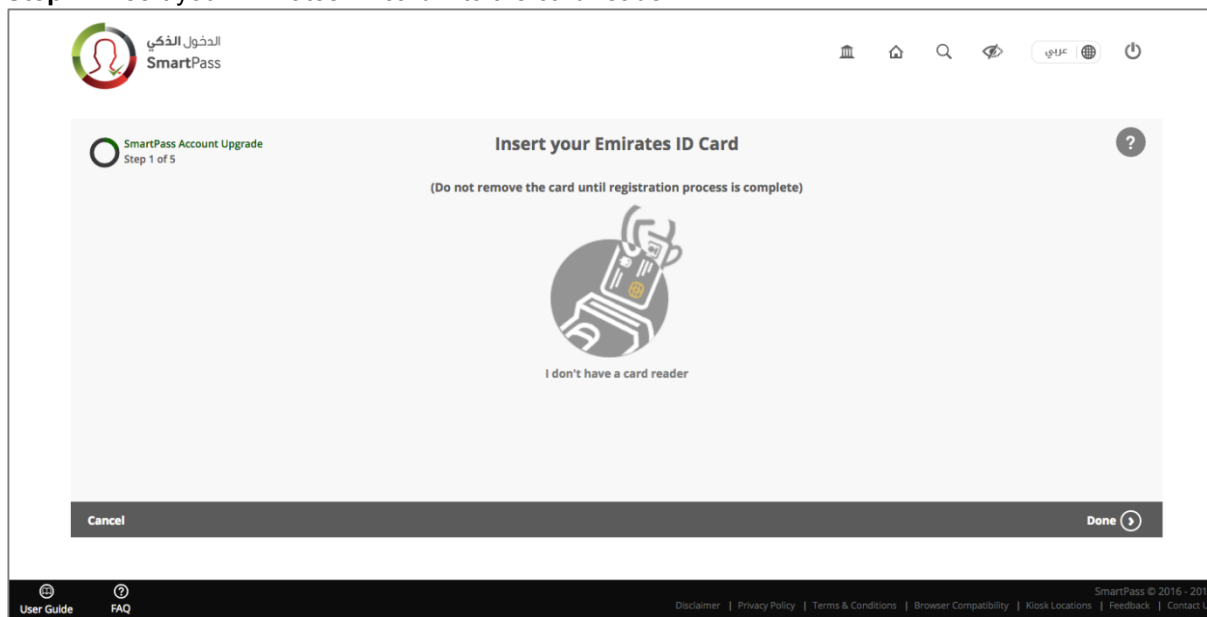

Step 3: Click on 'Accept' to accept the Terms and Conditions. If you do not accept the SmartPass Terms and Conditions, you may not upgrade as a SmartPass 'Citizen/Resident' user.

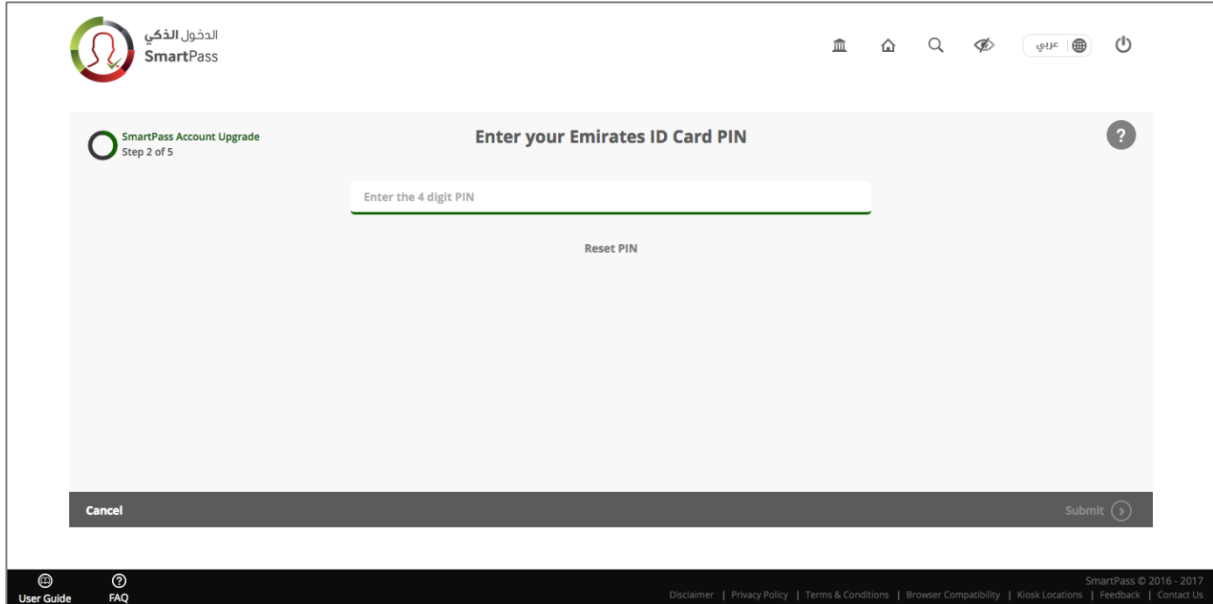

The screenshot shows the 'Terms and Conditions' screen of the SmartPass application. At the top, there is a header with the SmartPass logo and navigation icons. The main content area is titled 'Terms and Conditions' and includes an 'Introduction' section. The introduction states that using the SmartPass service is deemed acceptance of the terms and conditions. It also mentions that the terms apply solely to the SmartPass services owned and operated by TRA. Below the introduction, there is a 'SmartPass Account' section. This section explains that to create a SmartPass account and access certain services, users are required to register on SmartPass to create a user name and password. It also states that users are responsible for the security of their account and that TRA may suspend or terminate the account if there is a breach of security. At the bottom of the screen, there are two buttons: 'Decline' and 'Accept'.

Step 4: Insert your Emirates ID card into the card reader.

The screenshot shows the 'SmartPass Account Upgrade' screen, specifically 'Step 1 of 5'. The main heading is 'Insert your Emirates ID Card'. Below the heading, there is a note: '(Do not remove the card until registration process is complete)'. In the center of the screen, there is an illustration of an Emirates ID card being inserted into a card reader. Below the illustration, there is a link that says 'I don't have a card reader'. At the bottom of the screen, there are two buttons: 'Cancel' and 'Done'.

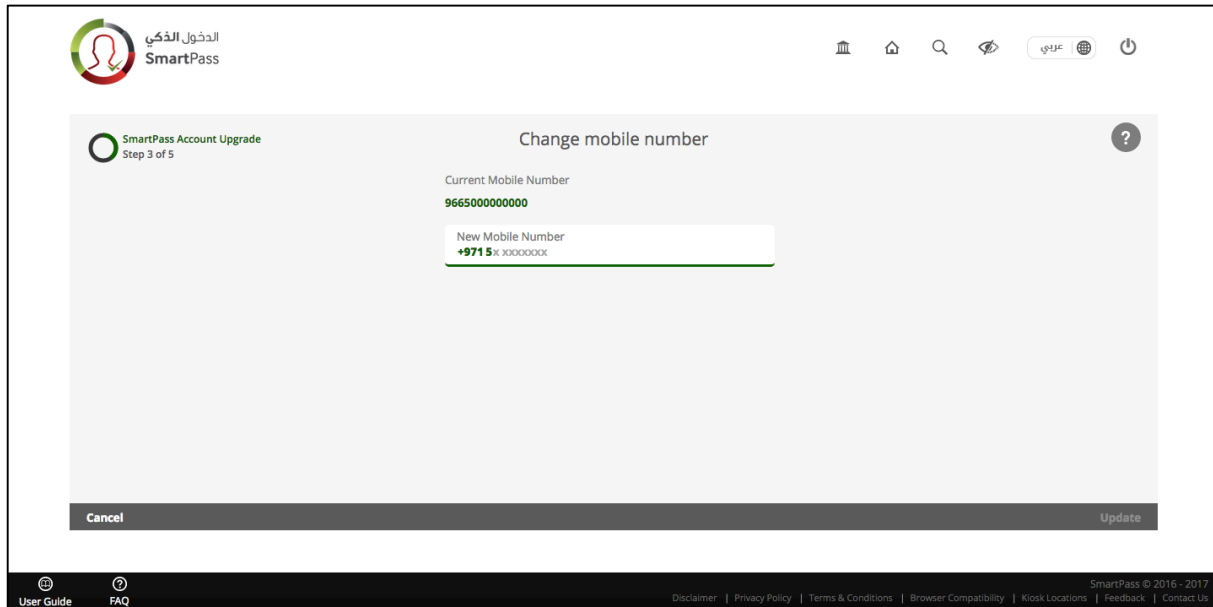

Step 5: Enter your Emirates ID Card PIN.

The screenshot shows the SmartPass Account Upgrade interface at Step 2 of 5. The main heading is "Enter your Emirates ID Card PIN". Below it, there is a text input field labeled "Enter the 4 digit PIN". A "Reset PIN" link is positioned below the input field. At the bottom of the form, there are "Cancel" and "Submit" buttons. The top navigation bar includes the SmartPass logo, a home icon, a search icon, a language selector set to "عربي", and a power icon. The footer contains links for "User Guide", "FAQ", "Disclaimer", "Privacy Policy", "Terms & Conditions", "Browser Compatibility", "Kiosk Locations", "Feedback", and "Contact Us", along with the copyright notice "SmartPass © 2016 - 2017".

Step 6: Update your mobile number.

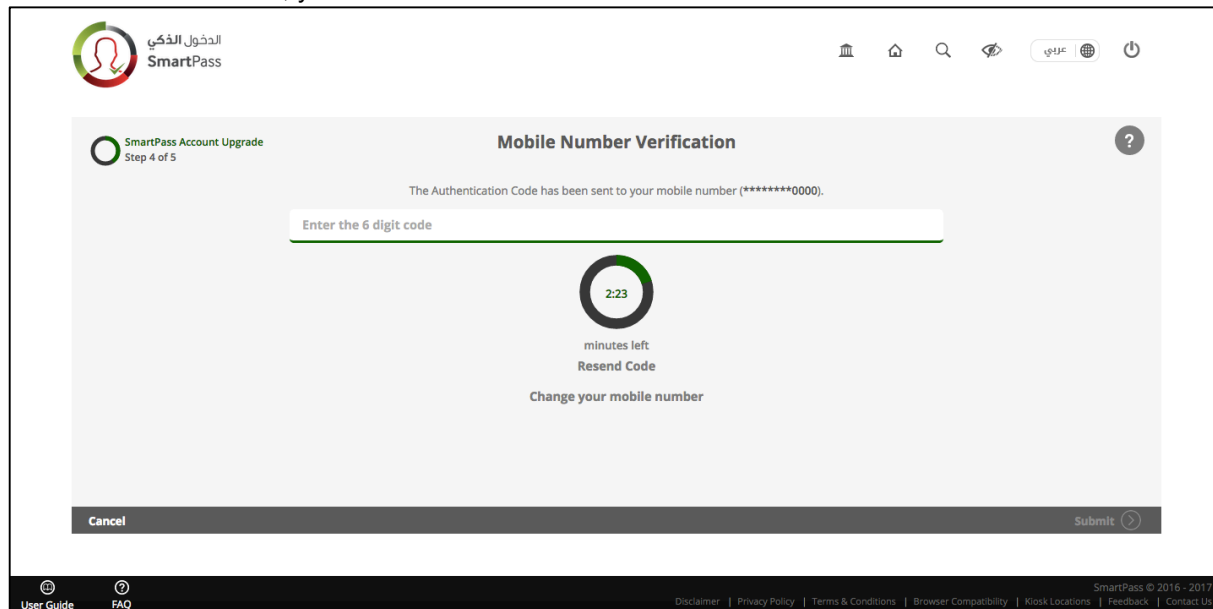

If you have an international number in your profile, you will be prompted to enter your UAE mobile number.

The screenshot shows the SmartPass Account Upgrade interface at Step 3 of 5. The main heading is "Change mobile number". It displays the "Current Mobile Number" as "966500000000". Below this, there is a text input field for the "New Mobile Number" with the prefix "+971 5" and a masked number "XXXXXXX". At the bottom of the form, there are "Cancel" and "Update" buttons. The top navigation bar and footer are identical to the previous step.

Step 7: Validate your mobile number.

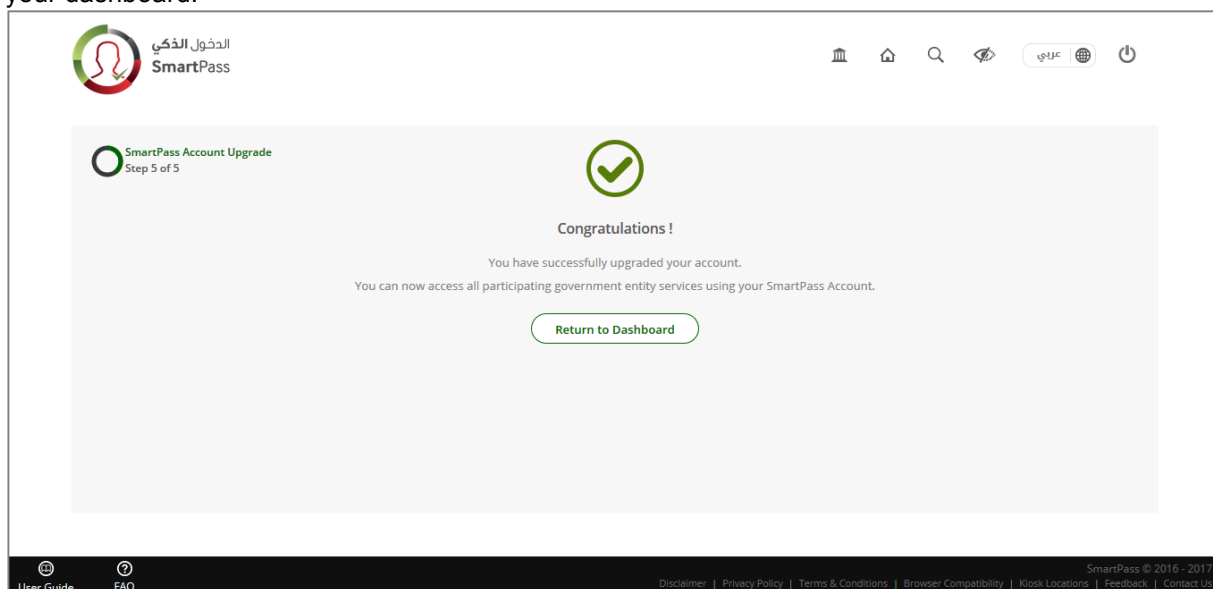

A 6-digit code will be sent to your phone and then you need to enter the code and click “submit”. If you do not receive the code, you need to click on re-send code button.

The screenshot shows the 'Mobile Number Verification' screen in the SmartPass application. It is part of the 'SmartPass Account Upgrade' process, specifically 'Step 4 of 5'. The screen displays a message: 'The Authentication Code has been sent to your mobile number (*****0000)'. Below this is a text input field labeled 'Enter the 6 digit code'. A circular timer indicates '2:23 minutes left'. There are buttons for 'Resend Code' and 'Change your mobile number'. At the bottom, there are 'Cancel' and 'Submit' buttons. The footer includes links for 'User Guide', 'FAQ', 'Disclaimer', 'Privacy Policy', 'Terms & Conditions', 'Browser Compatibility', 'Kiosk Locations', 'Feedback', and 'Contact Us', along with the copyright notice 'SmartPass © 2016 - 2017'.

Step 8: Upgrade confirmation.

After successfully completing the last steps, a confirmation page will be displayed. You may now go to your dashboard.

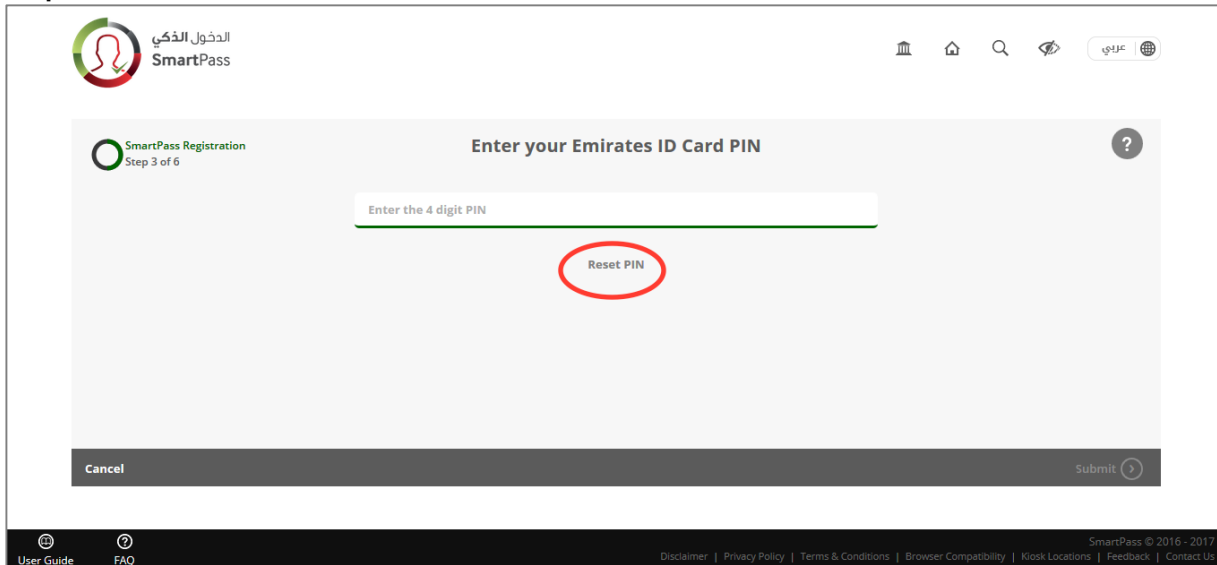

The screenshot shows the 'Upgrade Confirmation' screen in the SmartPass application. It is part of the 'SmartPass Account Upgrade' process, specifically 'Step 5 of 5'. The screen displays a large green checkmark icon and the text 'Congratulations !'. Below this, it says 'You have successfully upgraded your account. You can now access all participating government entity services using your SmartPass Account.' There is a button labeled 'Return to Dashboard'. The footer is identical to the previous screen, including links for 'User Guide', 'FAQ', 'Disclaimer', 'Privacy Policy', 'Terms & Conditions', 'Browser Compatibility', 'Kiosk Locations', 'Feedback', and 'Contact Us', along with the copyright notice 'SmartPass © 2016 - 2017'.

8. Reset Password

Note: This section is applicable to Citizen/Resident and Visitor/International accounts. As a Citizen/Resident, in case you are unable to receive sms or answer the security questions, you can reset password using your Emirates ID card on a kiosk.

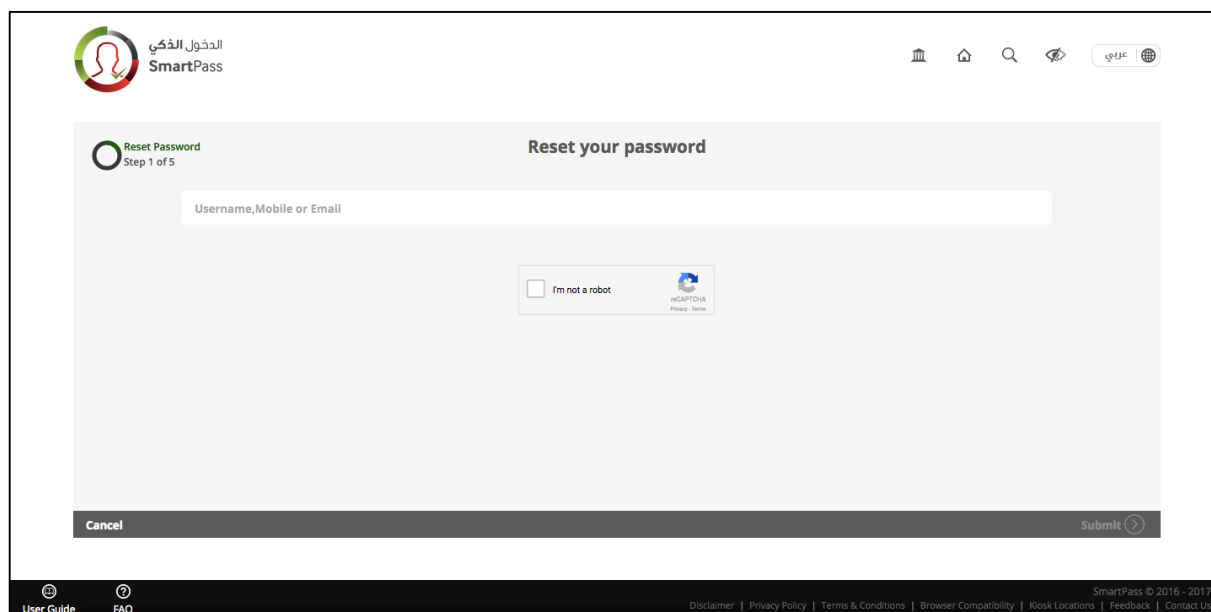

Step 1: If you do not know or have forgotten your password, you can reset your password by clicking on 'Forgot Password?' by opening the SmartPass website <http://www.smartpass.ae> on the browser;

The screenshot shows the SmartPass login interface. At the top left is the SmartPass logo. The main heading is 'Log in to your account'. Below this are input fields for 'Username, Mobile or Email' and 'Password'. To the right of the password field is a QR code. Below the input fields are buttons for 'Authentication Code', 'SMS' (highlighted in green), 'Email', and 'App'. To the right of these buttons is a QR code and the text 'Scan Using SmartPass Mobile App (Coming Soon)'. Below the input fields is a 'Log in' button. At the bottom of the login section are three links: 'Forgot password?' (circled in red), 'Register a new account', and 'Other log in options'. Below the login section are five icons: 'About', 'How to', 'Locations', 'Participants', and 'Contact'. At the bottom of the page are links for 'User Guide' and 'FAQ', and a footer with 'SmartPass © 2016 - 2017' and various legal links.

Step 2:

- Enter any of the details below:
 - registered username
 - registered email address
 - registered mobile number
 - your Emirates ID number (the 15-digit Emirates ID number is shown on your Emirates ID card)
- Tick the "I'm not a robot" box.
- Then click on 'Submit'.

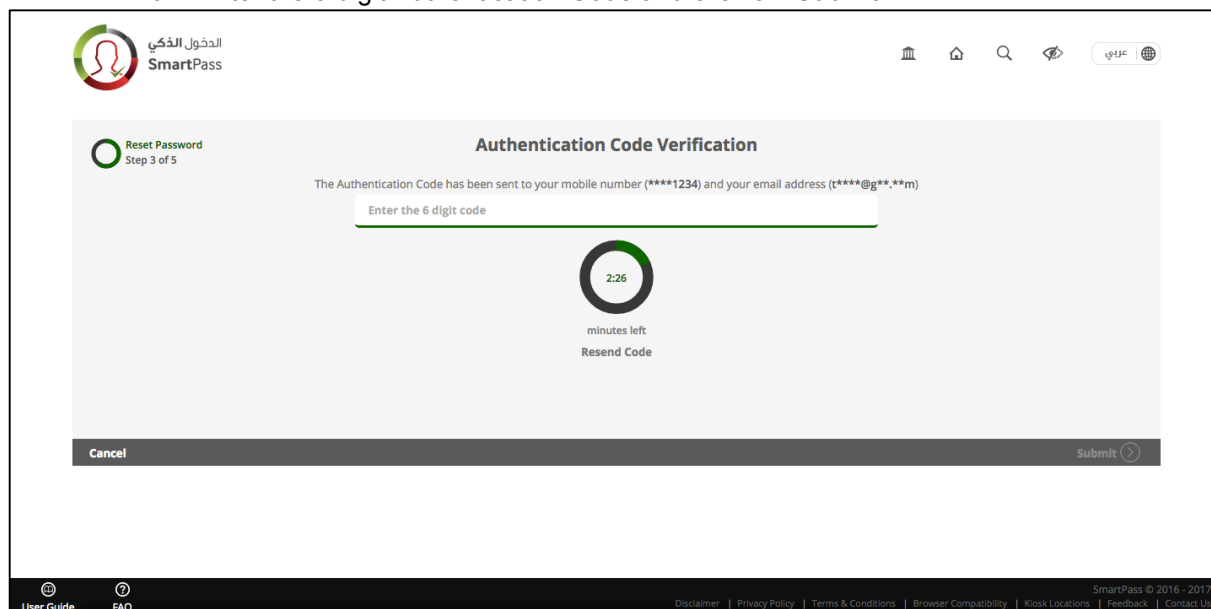

The screenshot shows the 'Reset Password' interface, Step 1 of 5. The title is 'Reset your password'. Below the title is a text input field labeled 'Username, Mobile or Email'. Below the input field is a checkbox labeled 'I'm not a robot' with a reCAPTCHA logo. At the bottom of the form are 'Cancel' and 'Submit' buttons. The footer contains links for 'User Guide', 'FAQ', 'Disclaimer', 'Privacy Policy', 'Terms & Conditions', 'Browser Compatibility', 'Kiosk Locations', 'Feedback', and 'Contact Us'. The copyright notice is 'SmartPass © 2016 - 2017'.

Step 3: Answer the three security questions presented and click on 'Submit'.

Step 4:

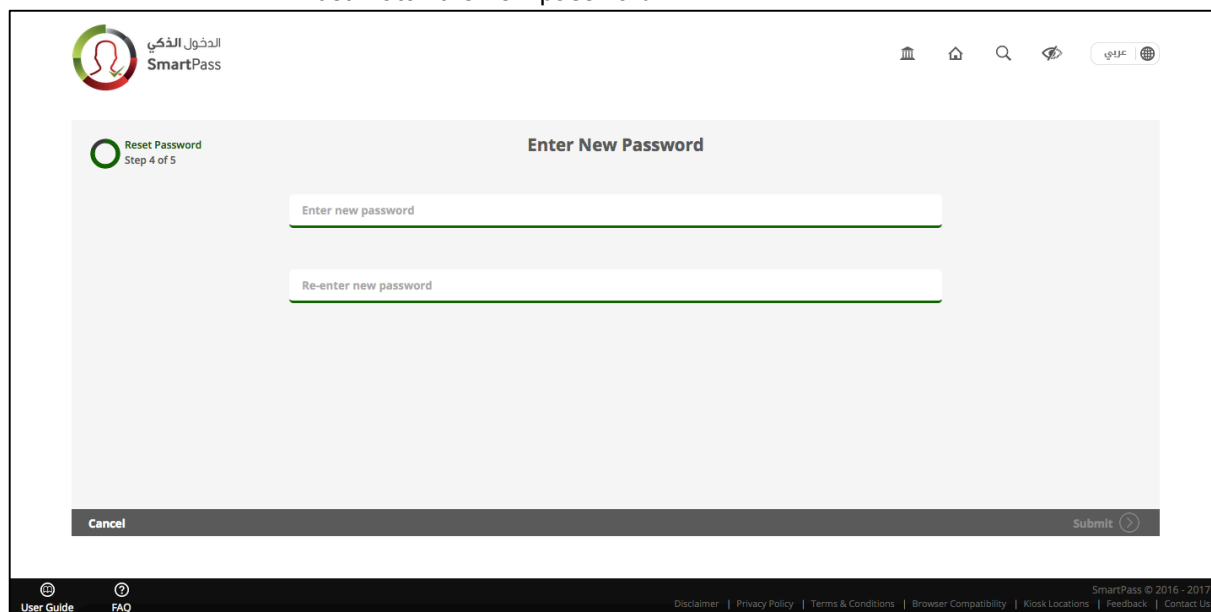

- If all your answers are correct, you will receive a 6-digit Authentication Code on your registered mobile number and on your verified email address.
- If you do not receive any code within 30 seconds, click on 'Resend code'.
- Enter the 6-digit Authentication Code and click on 'Submit'.

The screenshot shows the 'Authentication Code Verification' interface, Step 3 of 5. The title is 'Authentication Code Verification'. Below the title is a text input field labeled 'Enter the 6 digit code'. Below the input field is a circular timer showing '2:26' minutes left. Below the timer is a 'Resend Code' button. At the bottom of the form are 'Cancel' and 'Submit' buttons. The footer contains links for 'User Guide', 'FAQ', 'Disclaimer', 'Privacy Policy', 'Terms & Conditions', 'Browser Compatibility', 'Kiosk Locations', 'Feedback', and 'Contact Us'. The copyright notice is 'SmartPass © 2016 - 2017'.
